We need you more than ever as we launch this annual membership drive. Our holding hands to maintain a strong membership base is vitally important in this year when we cannot gather to celebrate successes and cheer one another on.

We hope that the beautiful newsletter prepared by Bonnie Nichols Ramsey has now arrived in your mailboxes allowing you to see that the pandemic has not stopped work in the cemetery. Your dues and contributions, along with private donations and grants, fund these repairs and improvements. One immediate improvement is painting the exterior of the Sexton's House when repairs and renovations are made to the Sexton's Office. The Friends have already given money to help with the office renovation.

The schedule for preparing the Spring newsletter is much earlier in 2021, and the membership list must be complete by January 15. Because we are in transition managing membership records, please send in your dues as soon as possible after receiving this so all the processing can be done in time for your name to be included on the list. Also, please be sure to add your current email address to receive timely FOHC information through *Constant Contact*.

We also need you to help us identify a new generation of volunteers to serve on the board of the Friends, so please enclose suggestions along with your membership form and check.

To join or renew, please use one of the two options below. We are grateful for your support!

ONLINE: To pay online by credit card, please go to our website **oconeehillcemetery.com**

TRADITIONAL METHOD: Simply fill out the membership form below and mail it with your check in the enclosed return envelope.
